Cole Kruienza, ISG Field Services Project Chief Inspector, provided an informative update on the Dakota Access Pipeline project in Cherokee County.

Lundquist expressed concerns about maintenance of township cemeteries and reported that he will informally talk with a Liberty Township Trustee about the importance of timely mowing and trimming of the property.

The board discussed a past practice of holding a summer schedule of meetings twice a month. Consensus was to try a summer schedule on the 2nd and 4th Tuesdays of the month with the option to add additional meetings as needed.

The supervisors provided committee reports and reviewed meeting schedules.

There being no further business, Chairman Mongan adjourned the meeting at 9:55 a.m.

All board agendas and minutes are available online at www.cherokeecountyiowa.com.
